## Dutch Yacht Builders launches 43m superyacht

Monday, 20 July 2009

By Merijn de Waard

**Dutch Yacht Builders, based in Enkhuizen, has recently launched their first superyacht, the 43.5 metre DYB43. The superyacht was built at this Dutch shipyard in close co-operation with the owner and his management team, Camberley International Inc. Built out of aluminium the luxury yacht has been designed by Cor D. Rover Design and the hull has been designed by Van Oossanen & Associates BV.**

The owner's and guest accommodation comprises of five staterooms, with in addition a sixth convertible stateroom on the upper deck, for a total of 12 people. On the lower deck are two large full beam VIP staterooms in addition to two guest cabins all with en-suites.

The owner's stateroom is located on the main-deck forward. The skylounge with full bathroom facilities has multiple functions, this area can be used as a skylounge, gymnasium or as a sixth stateroom with en-suite bathroom.

The main saloon and dining room feature a nice bar area and all outside decks have ample seating for large parties. The interior will have a contemporary look; a combination of wood, fabrics and leather accented by lively colors, all with the input of the well known Dutch interior designer Piet Boon of Piet Boon Design.

The sundeck features a Jacuzzi and an additional bar area. There is crew accommodation for a total of 6 and the captain.

The DYB43 is offered for sale through Camberley International, asking EU 18,500,000.

Camberley International can be reached at [office@camleyinc.com](mailto:office@camleyinc.com) for further information.
